Background

GE Grid Solutions is committed to customer care and the support of our products and solutions. As part of this commitment, GE strives to design high quality products and solutions, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On December 12th, 2022, GE Grid Solutions announced the discontinuation of the manufacture and sale of **DS Agile v6.x running Windows 10**.

On June 28th, 2023, the last-time buy description was revised.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spare items that you feel you may need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and shipments typically within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.
