LAST TIME BUY ANNOUNCEMENT

Due to an increasing demand for our newer generation of products, GE Power Management is offering a last time buy until May 31, 2001 on selected older product models that will become obsolete as of June 1, 2001. Delivery of these products must be taken before September 30th, 2001.

To assist in your transition to replacement products, this 'Last Time Buy' will allow you stock up on these products with our standard warranty.

Model	Function	Suggested Replacement Model
DAR	Modular Reclosing Relay	F60, D60, 750/760
ICW	Time Overpower	MIW, TCW
CCP	Power Directional	750*, 489*
DFP100	Feeder Protection	F60, F35, MIF, 750/760, SMOR-B
DFP200	Feeder Protection	F60, 750/760
DFP300	Feeder Protection	F35, F60, 750/760
ESA	Auxiliary	C30*
