

Brick Cables End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4885

Issue Date: 30th June 2020

Revision Date:

- 10th December 2022 (Excerpt from End-of-Manufacturing Notice GER-4938)

Copyright © 2022 General Electric

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On June 30th, 2020, GE Grid Solutions announced the discontinuation of the manufacture and sale of selected Brick Cables. On 12th December 2022, GE announced the discontinuation of the manufacture and sale of the remainder of the Brick Cables with a last-time buy date of 31st July 2023, subject to availability, and revised the alternatives as shown below. This notice does not apply to any other model not explicitly listed.

Last-Time Buy Window

This document outlines the strategy for affected products - within your organization please plan the purchase of any additional or spare devices that you feel you may need. Orders should be routed to us prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.
