

D400 COM 2 Port End-of-Manufacturing Notice

Excerpt from GE Publication Number: GER-4919

Issued: 20th September 2021

Copyright © 2021 General Electric

Background

GE Grid Solutions is committed to customer care and the support of our products. As part of this commitment, GE strives to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

GE Grid Solutions has discontinued the manufacture and sale of **D400 COM 2 Port**. This notice does not apply to any other model not explicitly listed.

PRODUCT	LAST ORDER DATE	ALTERNATIVE
D400 COM 2 Port Order codes: 520-0219 520-0219LF D400-XXX-XXXX-XXXX-XXX3-XXXX-XXXX D400-SP-M3	Order book closed	

Visit our website at <http://www.gegridsolutions.com/multilin/selector/> for more information about alternative products.

Support

GE's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order dates elapse, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact GE if they need further information concerning the level of service that is provided on a per product basis.

For Additional Information

If we can provide assistance with migration to new products, please contact us for help. Advice and assistance are also available via: <http://www.gegridsolutions.com/contact.htm?loc=3> or <http://www.gegridsolutions.com/multilin>
